

The Moody Clinic Presents "A Royal Affair"

Hear Ye, Hear Ye:

Come and experience the magic! On April 19, 2008 we invite you to join The Moody Clinic for an enchanting afternoon at the Camille Lightner Playhouse, located in the Dean Porter Park, as we present our annual theater fundraiser. This year our event, "A Royal Affair" will bring our local community together to enjoy a musical performance of Walt Disney's "Sleeping Beauty" followed by an afternoon of food, fun, and activities.

Each year we host a themed event to help raise funds to provide high quality rehabilitative services that maximize the potential of children with special needs, at no cost to their families. Your generous support in the past has allowed the clinic to serve approximately 150 children per month. The needs of the Moody Clinic continue to grow and your contribution will help our children gain the necessary skills to succeed.

Enclosed is the sponsorship information for "A Royal Affair". As a sponsor you will receive the benefit of an advertisement in our program booklet to promote your business or feature your family as a Moody Clinic supporter. Recognition for sponsoring the event will be included in all promotional material.

It is our sincere hope that you will donate generously and keep the magic of the Moody Clinic continuing for years to come.

Sincerely,

Leandra Costilla Ortiz
Event Chairperson
